DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on March 23, 2006 has been entered.

Claim Objections

2. Claims 20-23 and 31-33 are objected to because of the following informalities: in claim 1, line 3 and line 9, "a at least one" and "the analog receiver circuitry" should be "at least one" and "the receiver analog circuitry", respectively. Wherein claims 21-23 and 31-33 are objected to because they are directly or indirectly depended upon claim 20. Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 20-23, 31-33, 53-56 and 64-66 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 20 and claim 53 recite a control signal configured to have at least a first state and a second state. However, both claims fail to recite in what condition(s) when the control signal is in the second state.

In claim 22 (line 5) and claim 55 (line 6), the phrase "the second integrated circuit" lacks antecedent basis.

Claims 21, 23, 31-33, 54, 56 and 64-66 are rejected to because they are directly or indirectly depended upon claims 20 and 53.

Allowable Subject Matter

5. Claims 20-23, 31-33, 53-56 and 64-66 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
